of Public Convenience and Necessity for Operation of Motor Vehicle Carrier  
Docket No: **2020-196-T**

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff (“ORS”) does not intend to file direct testimony in this docket. ORS reviewed the Application and conducted an inspection of the Applicant’s records and equipment. Based on this inspection and review, ORS is of the opinion that the Applicant will meet the requirements of fit, willing and able as required of a Household Goods Mover under the provisions of S.C. Code Ann. Regs. 103-133.

Should the Commission determine that the Applicant meets the qualifications for the issuance of a Certificate of Public Convenience and Necessity, ORS will ensure that the Applicant will have complied with all applicable Commission rules and regulations and any conditions of the Commission Order prior to the issuance of such Certificate.

ORS reserves the right to alter its position should a material change occur with the Application after the filing of this letter. Thank you for your consideration in this matter.

Sincerely,

*s/ C. Lessie Hammonds*
